

The Pareto Principle dictates that you should look to shift 80% of your business activities, either delegating or outsourcing, so you can focus on the top 20% that produce most revenue. If you're an **AFG** Broker, the opportunity to do this just became a whole lot easier with the PeoplePartners Broker Assistant Academy.

All Broker Assistants Are Trained On:

- ▶ Content Curated in Consultations with the **AFG** Learning and Development Team
- ▶ **AFG** Learn Modules
- ▶ Comprehensive case studies for training and assessment of end-to-end processing
- ▶ Training & Sandbox Access for practice use of Flex, AOL and BrokerEngine
- ▶ Access to Suite360
- ▶ Access to HELP (**AFG** Knowledge Base)
- ▶ Full back Catalogue of PD Webinar Recordings
- ▶ Living Expenses/HEM, Loan Terminology, Foundation training on LMI, Pricing, Valuations, Discharges, Serviceability, Borrowing Capacity

▶ We take the time to carefully select candidates for our Academy and guarantee that only the best, most competent Mortgage Broker Assistants Graduate! ◀

Why Outsource to the Philippines?

English speaking, high tertiary education rates, culturally aligned and 70% lower cost of labour is routinely what is suggested when answering this question - however the reality is far more expansive. We'll demonstrate to you why the Philippines needs to be part of your workforce outsourcing strategy.

People Management and Support

- ✓ Elevate productivity with our HR Staff and Operations Coordinators who oversee your team's performance and wellbeing, ensuring peak efficiency
- ✓ Experience unmatched success with your very own Success Partner, focused on YOU & optimizing your global workforce strategy

Compliance & Administrative Support

- ✓ One invoice per month, yet all legal, tax, and statutory obligations in the Philippines are expertly handled for you, ensuring full compliance without the headache
- ✓ Enjoy the convenience of dedicated finance and payroll staff serving your remote team, freeing you to focus on growing your business
- ✓ Attract and retain top talent with an appealing benefits package, including comprehensive health insurance, making your team feel valued and secure

IT Infrastructure & Security

- ✓ Benefit from the highest standards of IT security, protecting your data and operations
- ✓ Get clear insights on productivity with advanced monitoring, giving you absolute peace of mind
- ✓ Simplify access and enhance security with streamlined sign-on processes and robust password management
- ✓ Ensure uninterrupted operations with our resilient internet solution, providing the bandwidth and redundancy your business demands
